## Student Licensed Driver Permission

Date: \_\_\_\_\_

To the Coaches of Marcus Swim & Dive,

I, \_\_\_\_\_ (parent / guardian's name), give permission for my athlete, \_\_\_\_\_, to drive their vehicle from the pool after morning swim practice to Marcus High School (1<sup>st</sup> period) or from MHS to the pool for afternoon practice (4<sup>th</sup> period).

I understand that by signing this that my athlete will be opting out of the daily bus service provided by LISD to/from practice and I understand my athlete cannot have another athlete in the car on that drive, unless he / she is a sibling. Failure to follow the rules and drive responsibly will result in the loss of driving privileges and the athlete will be required to use the bus / alternate transportation.

Thank you.
